ABOUT US

ELFLOTY GROUP is a leading company specialized in event, conference, exhibition, and entertainment production across Egypt and Saudi Arabia. We provide comprehensive solutions designed to deliver outstanding experiences and seamless execution that exceed client expectations. Our services include state-of-the-art professional lighting systems, high-resolution LED screens, advanced visual effects, sound systems, and fire effects technologies, ensuring every event leaves a lasting impression.

Backed by a highly experienced team, we are committed to delivering excellence through innovation, precision, and adherence to the highest standards of quality and safety. Our mission is to transform ideas into remarkable experiences, making us a trusted partner for successful events and conferences across the region.

CEO Message

At **ELFLOTY GROUP**, we believe that every successful event starts with a great idea and ends with an unforgettable experience. Since our establishment, we have been committed to delivering the highest standards of professionalism and innovation in event and conference production while maintaining exceptional quality and safety standards.

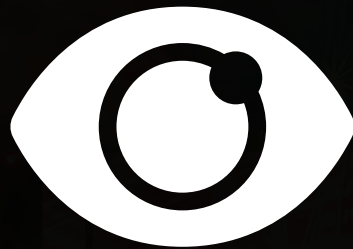

We take pride in our achievements across Egypt and Saudi Arabia and continuously strive to enhance our services by adopting the latest technologies and industry trends. Our clients' trust is the driving force behind our success, inspiring us to create outstanding experiences and build long-term partnerships based on excellence, reliability, and shared success.

Mr. Tarek Elfloty

Chief Executive Officer (CEO)
ELFLOTY GROUP

VISION & MISSION

VISION

To become the first choice and the most trusted partner in event and conference production across Egypt and Saudi Arabia by delivering exceptional experiences and innovative solutions that elevate industry standards throughout the region.

MISSION

We strive to provide comprehensive and professional event production solutions through the latest technologies and premium equipment, while maintaining the highest standards of quality and safety to ensure successful events that create lasting impact for our clients and their audiences.
